THE REEBOK FOUNDATION SCHOLARSHIP

“I would like to close by again thanking you for giving me the opportunity to be a Two Ten Scholarship recipient. From humble beginnings in Boston following the Depression, the Two Ten Foundation has kept its promise to aid the families of men and women who for so long dedicated their lives to the shoe industry. Without this scholarship, I know I and many other students like me would be hard pressed to find the money needed to attend a college today. I am forever thankful to the Two Ten Foundation for the generosity you have shown me.”

"I am a first generation American, a college student, and a soon to be Registered Nurse. Growing up my parents taught me to take advantage of everything this country has to offer me and to dream big. I never thought I'd be where I am today, but with support from my family and this scholarship, I will be the first person in my family to get a bachelors degree.
